

COVID-19

SPECIFIC HEALTH MEASURES

Please note that access to the Domaine is strictly prohibited for anyone with symptoms of COVID-19.

COVID-19 symptoms: fever / cough / difficulty breathing / loss of smell or taste

Please note that in order to respect the provided health recommendations in our area of activity from now we will accept only one family by stay.

* A family corresponds to all people living at the same address.

During the two weeks preceding a stay at the Domaine:

It is your responsibility to notify Info-Nature as soon as possible:

- If you or a family member notice symptoms of COVID-19
- OR
- If you or a family member has come into contact with a symptomatic person.

During the two weeks following a stay at the Domaine:

It is your responsibility to notify Info-Nature as soon as possible if you or a member of your family tests positive for COVID-19.

Temporary changes to our service offer:

- During your stay, you will be assigned to one room and one bathroom. Please respect that assignment.
- The board games will be available.
- The indoor fireplace use will be permitted, but only the manager will be allowed to feed and maintain the fire.

The sanitary measures to be followed at all times at the Domaine:

- If you notice the appearance of COVID-19 symptoms during your stay, you must immediately notify the manager.
- A physical distance of 2 metres must be respected between the manager of the Domaine and you.

- The wearing of a mask or face cover is compulsory inside the Domaine and it is your responsibility to bring it. Info-Nature will not provide any mask to users.
- During your stay, hand washing should be done regularly.

Cleaning of installations:

- All frequently touched surfaces, such as handles, switches, sofa arms, handrails, etc. will be cleaned twice a day.
- Maintenance equipment will be made available for your family; it will be your responsibility to clean your toilet, shower and sink during your stay.
- At the end of a stay, all your rental unit will be disinfected by the manager.

Measures concerning the use of the common kitchen:

- At your arrival, you will be assigned to a disposal cupboards containing all the necessary dishes for your family.
- Inside the fridge and the pantry, plastic basket will be made available to store all your food. Every used basket will be disinfected after each use.
- At the end of each meal, you will be responsible for cleaning your dishes and all surfaces used, such as table, counter, sink, etc.
- The washcloths will be for single use, those will be disinfected by the manager after your stay.
